Annual Meeting at the AUA
FRIDAY, MAY 18, 2007**

*Marquis Ballroom Northeast, Anaheim Marriott
Anaheim, CA*

**SUU Meeting: 8:00 a.m.–1:00 p.m.
SUCPD Meeting: 1:00 p.m.–5:30 p.m.**

Target Audience: This one-day conference is designed to inform and benefit academic urologists involved in the education, supervision, and evaluation of residents in postgraduate training programs in urologic surgery.

Goal: The goal of this meeting is to allow attendees to understand the issues forcing change in how we train residents and gain input from attendees and which approaches may be beneficial to pursue.

Educational Objectives: After attending the meeting, participants should be able to

- be familiar with the reasons why the ABU is considering major structural changes in residency programs,
- understand the needs of training for residents to make them successful in academic and private sectors,
- understand the challenges and successes in fellowship training today, and
- learn from the mistakes and good decisions made by other surgical specialties.

Accreditation Statement: The American Urological Association Education and Research, Inc., is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American Urological Association Education and Research, Inc., takes responsibility for the content, quality, and scientific integrity of this CME activity.

Sponsorship: This continuing medical education activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) and is sponsored by the American Urological Association Education and Research, Inc.

SUU Credit Designation: The American Urological Association designates this educational activity for a maximum of 3.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim credit commensurate with the extent of their participation in the activity.

SUCPD Credit Designation: The American Urological Association designates this educational activity for a maximum of 3.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim credit commensurate with the extent of their participation in the activity.

AUAER Disclosure Policy: As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME), the American Urological Association Education and Research, Inc., must ensure balance, independence, objectivity, and scientific rigor in all its activities.

All faculty participating in an educational activity provided by the American Urological Association Education and Research, Inc., are required to disclose to the audience any relevant financial relationships with any commercial interest to the provider. The intent of this disclosure is not to prevent faculty with relevant financial relationships from serving as faculty, but rather to provide members of the audience with information on which they can make their own judgments. The American Urological Association Education and Research, Inc., must resolve any conflicts of interest prior to the commencement of the educational activity. It remains for the audience to determine if the faculty's relationships may influence the educational content with regard to exposition or conclusion. When unlabeled or unapproved uses are discussed, these are also indicated.

Unlabeled or Unapproved Use of Drugs or Devices: It is the policy of the American Urological Association Education and Research, Inc., to require the disclosure of all references to unlabeled or unapproved uses or drugs or devices prior to the presentation of educational content. Please consult the prescribing information for full disclosure of approved uses.

The audience is advised that this continuing medical education activity may contain reference(s) to unlabeled or unapproved uses of drugs or devices. Please consult the prescribing information for full disclosure of approved uses.

Evidence-Based Content: As a provider of continuing medical education accredited by the ACCME, it is the policy of the American Urological Association Education and Research, Inc., to review and certify that the content contained in this CME activity is valid, fair, balanced, scientifically rigorous, and free of commercial bias.

Special Assistance: We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you. Contact us at 847-517-7225 if you require special assistance to fully participate in the meeting.
